

WHY BUILD A NEW HOME?

Still trying to decide to build a new home? Ready to build but don't know where to start? Jagoe Homes has you covered. Building a new home is an important decision, and with the right new home builder, the process can be smooth, and the benefits many.

THE BENEFITS OF BUILDING A NEW HOME WITH JAGOE HOMES

1 NEW EVERYTHING

No one has ever lived in this home. You have the peace of mind knowing everything from the paint, to the sinks, to the toilets are fresh for you and your family. This is your home first!

2 CUSTOMIZATION

You choose everything in your new home. We'll walk you through everything in great detail to ensure this is your dream home.

3 COST & INCENTIVES

Numbers matter. When it comes to the cost of buying new versus renting or previously built homes, Jagoe Homes makes it affordable for you to own a home with several financial incentives.

4 REPAIRS

With a new Jagoe Home, all your major appliances and components are new. This simply means you won't need to worry about repairs. And, with a 2-10 Home Buyers Warranty that comes standard with your new Jagoe Home, you'll have peace of mind.

5 ENERGY EFFICIENCY

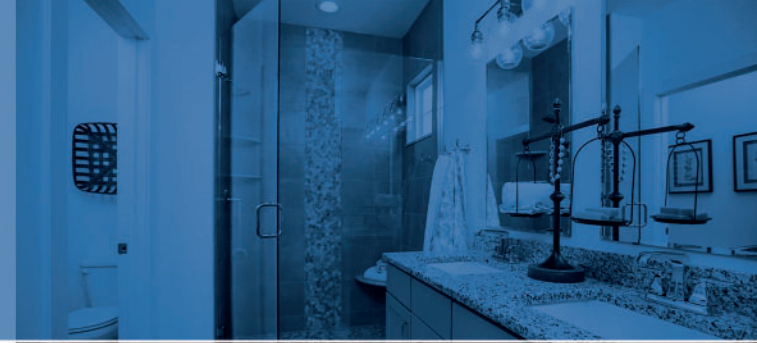

We use the latest energy efficient technology and processes throughout when building your home. This means you save on energy bills, and your home is doing what it can to save our planet.

GET STARTED RIGHT FROM YOUR COUCH

You can browse locations, floor plans, colors, options so you can customize your new Jagoe Home to exactly what you want. Plus, we make it easy to save your ideas by simply registering for a MyHome Account!
